As things go, there will be room for errors but I hope I can keep those to a minimum.

Invitation
Dear guests and readers of this bulletin,
You are invited to join our club as stamp collecting has provided many of us with deep insights into past and present cultures of countries we may or may never visit. As a guest you can find the behaviour of exited members a bit overwhelming. Do not be afraid to ask questions. If you do, please do not be overwhelmed with the answer as you usually get more than you asked for. Some of us have been collecting stamps for such a long time that we have forgotten what it feels like to be a beginner.

Join in and enjoy a pastime that need not be expensive. If you have inherited a stamp collection we will provide you with information (free of charge) about the value of that collection. Again, you may get comments you do not like (there is rust in the collection; not worth much but interesting enough to expand; etc.). We are human and we have our little errors. However, if you do not like the information received, by all means, get a second opinion.

Looking back and ahead
Another volume of the Bruce collection has been added to my database on Australian postmarks. This time 85 pages of Sydney slogan cancels. All I have to do now, is to transfer those to the slogan database.

I had a little luck at the Petersham Stamp Fair last Sunday 31 August 2014. Fitting in with the history of Post Offices in NSW, I picked up a few postcards showing Post Offices. I am glad I started as a stamp collector as I would have been unable to afford a post card collection.

Good luck and happy stamping

STAMPWAYS Limited
1988
STAMPWAYS was formed in April 1988 by members of the Otorohanga Stamp Club and some members of the Public Relations Committee of the District Council with the aim of promoting Otorohanga and district through the issue of stamps, envelopes, date stamps, cachets, etc by establishing a local mail service.

The business faltered after new Zealand Post office sought and won a High Court injunction. However, the local Freight Service between Otorohanga Travel Centre and STAMPWAYS (1km) has survived and the $1.75 freight stamps issued for the service are used on onward freight parcels consigned through Newmans and Intercity services.

1989
STAMPWAYS issued souvenir sheets for a steam train and electrical train excursion to National Park on 9th September 1989.

The End
This concludes my review of the Cinderella's of New Zealand. In the future, I hope, I will add more images and maybe one day have all images for every item listed. I am an optimist.

For next month bulletin I have no great plans. The parcel railway labels appear to be elusive and I have not made much progress. As I am very busy with my Olympic Listings and the Postmarks of NSW are not in a great shape for publication. I may look at odds and ends to fill the pages of the next bulletin.
