

# STAMP COLLECTORS!

## PHILAS

If you have spare time on a Tuesday and / or a Saturday, Philas is looking for volunteers to help with:

- sorting and describing auction lots
- packing and despatching lots
- helping at auctions and on auction viewing days
- helping with paperwork

If you have basic computing skills (or are willing to learn) you can help us with data entry of auction lot descriptions or with compiling the printed auction catalogue. Or you could help keep the Wix-based website up-to-date: [philas.net.au](http://philas.net.au)

Full training in all tasks will be given—no prior experience is necessary.

Morning tea and a sandwich lunch are provided each day. While in the building, use the Library to research your stamps.

Come along on a Tuesday or Saturday to meet our friendly team for yourself, or phone for more details.

Philas House, 17 Brisbane Street (off Oxford Street,  
near Hyde Park) Phone (02) 9264 8301
