Invitation

Dear guests and readers of this bulletin,

You are invited to join our club as stamp collecting has provided many of us with deep insights into past and present cultures of countries we may or may never visit. As a guest you can find the behaviour of exited members a bit overwhelming. Do not be afraid to ask questions. If you do, please do not be overwhelmed with the answer as you usually get more than you asked for. Some of us have been collecting stamps for such a long time that we have forgotten what it feels like to be a beginner.

Join in and enjoy a pastime that need not be expensive. If you have inherited a stamp collection we will provide you with information (free of charge) about the value of that collection. Again, you may get comments you do not like (there is rust in the collection; not worth much but interesting enough to expand; etc.). We are human and we have our little errors. However, if you do not like the information received, by all means, get a second opinion.

Looking back and ahead

This month is rather difficult for me as I am in Germany spending money and attempting to write the bulletin.

I know you all have been to the stamp shows and there is no point in listing what you missed if you did not go.

I would like to thank you all for re-electing me as president for another year. I would like to thank Charles for being our treasurer for more years as I have been member in this club. Welcome Richard for taking on this task.

Good luck and happy stamping

President
